Guests will be collected from the various lodges and hotels within a 5 km radius of the OR Tambo International Airport between 6:30 am and 6:45 am, and then from the OR Tambo International Airport shuttle and bus Terminal between 6:45 and 7:00 am. We depart for Hazyview at 7:15 am.

Clients have the option of flying directly into Skukuza Airport or to Kruger Mpumalanga International Airport, and be collected by a Kurt Safari guide at no additional cost.

Please confirm your pickup details the day before the tour by sending an email to online@kurtsafari.com.

Please note these are shared departures.
We will travel directly to the lodge in Hazyview and arrive between 11:30 am and 12:00 pm. Guests will have time to relax, unpack and enjoy a light lunch, and there is also time to go for a swim or for a walk around the beautiful lodge or its walking trails. We depart at around 16:00 pm for a Sunset/Night Safari in the Kruger National Park before returning to the lodge at approximately 19:30 or 20:00 pm for a scrumptious dinner, and a good night's rest.

Day 2: Full Day Open Vehicle Safari in the Kruger National Park (Breakfast & Dinner Included. Lunch will be on your own account)

All safaris begin before sunrise, the optimal time for spotting wildlife, including the Big 5.

Guides select the best areas to explore, and after about 3 hours, there's a stop for breakfast and a coffee break. The safari continues through diverse eco-zones, visiting rivers, watering holes, open plains, and Bushveld regions.

Lunch is enjoyed at a rest camp (own account), with time for curio shopping or a cold beer.

The safari concludes with a return to the lodge by late afternoon, allowing time to relax, swim, and enjoy dinner.

Day 3: Full Day Open Vehicle Safari in the Kruger National Park (Breakfast & Dinner Included. Lunch will be on your own account)

Today we once again depart from the lodge before sunrise. No safari is ever the same, and each day is special. Your guide will choose a different part of the park to explore and we will look for predators as well as all of the other types of animals that are common to the region.

After about 3 hours of looking for wildlife, the guide will stop for breakfast, giving you a chance to stretch your legs, go to the bathroom and get a cup of coffee. Breakfast packs will be provided by the lodge. We then continue with the safari your safari, visiting rivers, water holes, lookout points and other areas of interest, all while keeping an eye out for the park's magnificent wildlife.

We then stop for lunch at a rest camp. The Kruger has various rest camps, all with cafes and some with restaurants. The guide will choose the camp. While in the camp you can visit the shops, do some curio shopping or enjoy a cold beer! The guide will usually choose a camp different from the day before. The safari then continues as you make your way back towards the lodge. We arrive at around 15:30 and 16:00 pm, with enough time to relax, swim and have a delicious dinner.

DAY 4: Morning Safari and Transfer Back to Johannesburg (Breakfast Included)

This is the last safari of your trip and again we depart from the lodge before sunrise. During the course of the morning, we will have another packed breakfast at one of the rest camps or at a picnic site. On this day the guide will focus on finding animals we couldn't find on the first 2 Kruger Park safaris. The Kruger National Park has 148 mammal species and over 500 bird species. So, there is always lots to see and photograph. We especially hope to see lion and leopard as they are most active in the early mornings.

After a short breakfast and coffee stop, we will continue with the safari, and we will return to the lodge at around 12:00 pm.

Here you say goodbye to your guide and freshen up before you make the journey back to Johannesburg. Clients will be collected by the shuttle at between 12:00 and 12:30 pm, and we will return to Johannesburg's OR Tambo Airport shuttle terminal and lodges within a 5 km radius, arriving between 17:00 and 18:00 pm.
